BEHAVIORAL HEALTH EXPERIENCE:

October 2012
to present

Clinical Director
Southwest Guidance Center
Liberal, Kansas

Duties: Management of all clinical programming for Haskell, Meade, Seward, and Stevens Counties in southwest Kansas. Duties include utilization management, quality improvement, clinical supervision, and staff development. This position is responsible for ensuring the quality of consumer care, program development and coordination, strategic planning, and compliance with regulatory and professional standards. The Clinical Director also serves as Public Information Officer for the company in cooperation with local emergency preparedness programs for the four county region.

March 2008 to
October 2012

Regional Director
Area Mental Health Center
Ulysses, Kansas

Duties: Management of all aspects of the Area Mental Health Center programming for Grant, Morton, and Stanton Counties in southwest Kansas. Duties include planning, budgeting, revenue/expense management, recruiting, hiring, clinical supervision, and staff evaluation. This position is responsible for ensuring the quality of consumer care, program development and coordination, human resources management, staff development, strategic planning, and compliance with regulatory and professional standards.

July 1996 to
March 2008

Staff Psychologist
Area Mental Health Center
Ulysses, Kansas

Duties: Individual, marital, and family therapy with adults and adolescents in an outpatient community mental health center; psychological evaluations of children and adults in an outpatient community mental health center; psychological evaluations of geriatric patients in an inpatient geriatric psychiatry unit; evaluations of competency to stand trial; hospital and police consultations; State Mental Health Reform and Medicaid screenings; various committee appointments include Psychological Services Committee and Technology Steering Committee.

July 1997 to
August 2000

Program Director
Morton County Geropsychiatric Unit
Morton County Health System
Elkhart, Kansas

Duties: Provision of program management through contractual agreement between the Morton County Health System and the Area Mental Health Center with full employment retained by the Area Mental Health Center. Supervision of clinical staff members in a ten-bed geropsychiatric unit, budgetary approval of geropsychiatric purchases, staff evaluation, liaison between geropsychiatric staff and upper level administration, responsibility for overall coordination of therapeutic services.

June 1995 to
March 1996

Psychological Assistant
Mark A. Moulthrop, Ph.D.
Clinical Neuropsychologist
Evanston, Illinois

Duties: Part time position involving the administration of psychological and neuropsychological tests to adults under the direction of a clinical neuropsychologist in private practice; consultations to HCA Chicago Lakeshore Hospital and St. Joseph's Hospital, Chicago.

July 1987 to
August 1994

Staff Psychologist
Area Mental Health Center
Dodge City, Kansas

Clinical Duties: Individual, marital, and family therapy with adults and adolescents in an outpatient community mental health center; psychological evaluations of children and adults; evaluations of competency to stand trial; custody evaluations; employment screenings for police dispatch; hospital and police consultations; consultations to adolescent group home.

Administrative Duties: Chairing quarterly centerwide psychology meetings; creation of State-mandated center disaster plan; preparation of monthly emergency on-call schedule; maintenance of psychological test inventory; recording local radio Public Service Announcements; supervision of master's level psychology intern for three months.

June 1986
to July 1987

Staff Psychologist
Cumberland River Comprehensive Care Center
Middlesboro, Kentucky

Duties: Individual, marital, and family therapy with adults and adolescents in an outpatient community mental health center; psychological evaluations of children and adults; supervision of a partial hospitalization program.

July 1997
to present

Private Practice
Lewis Psychological Services and Defiant Power Solutions
Ulysses, Kansas

Lewis Psychological Services is a small private practice that accepts select clients on a very limited basis. Focus of the practice is logotherapy and existential analysis. Contractual agreements in the past have been maintained with the Kansas Department of Aging, the Catholic Diocese of Dodge City, Saint Francis Academy, and Southwest Psychiatric Center (formerly Great Plains Psychiatric and Mediation Center). Defiant Power Solutions is a Kansas pre-approved provider of continuing education to mental health practitioners. It offers an online course in logotherapy and existential analysis.

TEACHING AND SCHOLARLY ACTIVITIES:

June 2013
to present

Co-Editor
